Subject: GC Pivotal, LLC, Docket No. 2011-109-C; Global Capacity Direct, LLC, Docket No. 2011-108-C

For the record, the Applicants in both dockets would respectfully request that consideration of both Applications be expedited. Global Capacity is in bankruptcy. The Bankruptcy Court has approved the transfer of assets of Global Capacity to Pivotal Global Capacity, LLC or its wholly owned subsidiary assignee GC Pivotal, LLC May 16, 2011. While the ORS has reviewed both Applications, and, as I understand it, has no objections to either, the hearing in Docket No. 2011-109-C is not scheduled until June. Accordingly, the Applicants would respectfully request that the hearing officer schedule a hearing for May 9, 2011, so as to hear the Application in Docket No. 2011-109-C which will be undisputed. I will have a proposed order for the hearing officer's consideration at the time of hearing. Assuming that all goes well, this would give the Commission time to consider the matter as near to May 16 as is possible.

Separately, I am providing Peg Fox with another copy of the executed Stipulation submitted by her client, the SCTC. We would appreciate any assistance that you could give us in this matter. If you have questions, please feel free to contact me.
